PREPARATION FOR EXTERMINATION OF FLEAS

Vacuum all floor as well as closet floors. Throw away vacuum cleaner bag or dirt in a garbage can OUTSIDE.

Have all closet floors available for spraying.

All floor surfaces should be free of clothing, newspapers, toys, etc. (clean up as if you were going to have company)

It is not mandatory to spray mattresses, but if this is needed, remove all bedding from mattress.

Dogs and cats should have a flea treatment as well.

OCCUPANTS AS WELL AS ANY DOMESTIC ANIMALS NEED TO BE OUT UNTIL THE PRODUCT IS COMPLETELY DRY (USUALLY 3 TO 4 HOURS). FISH TANKS HAVE TO BE UNPLUGGED AND COVERED UNTIL YOU RETURN. ADDITIONAL FEES COULD BE INCURRED IF WE NEED TO RETURN BECAUSE THIS WAS NOT DONE. FURTHERMORE WE WILL NOT BE RESPONSIBLE FOR ANY DAMAGE TO THE FISH TANKS THAT MIGHT BE INCURRED IF WE HAVE TO UNPLUG AND COVER THE FISH TANK.

BIRDS MUST BE OUT FOR 24 HOURS !!!!

*Thank you,
